Answering God's call to take the message, the music and the movement across the nation this summer 2012!

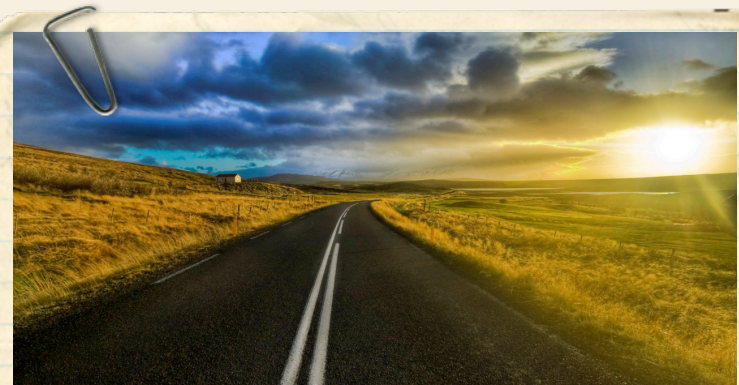

Join Us In Taking God's Musical Moving Message To The Nation

THE VISION

With the recent release of the new book, we felt the Lord calling us as a FAMILY to travel the nation this summer. We will be releasing the book wherever we go, along with the message within, prophetic music from Jason and movement from Ann-Marie. We will be driving the entire tour, staying with friends and family along the way, ministering in many various venues from churches, coffee shops to homes.

WHAT YOUR SUPPORT ENABLES

Your Summer Tour Partnership will enable us with the resources that it will take to rent the vehicle as well as gas, food and necessary lodging expenses along the way. We are taking a step of faith, renting out our home for the summer and raising support for the 3 months. This budget will be our income for the summer. We will not be working during this time, so it is necessary to raise our travel budget in advance. Please consider joining us for this 3 month time. Summer supporters will incur debits from their accounts at the beginning of the months of June, July & August 2012. All tax-deductible gifts are accounted for through our affiliate financial partner ministry Modern Day.
